

**A RESOLUTION AUTHORIZING THE DEVELOPMENT OF A
LOCAL INCIDENT MANAGEMENT TEAM (LIMT)**

WHEREAS, Homeland Security Presidential Directive/HSPD-5 created the National Incident Management System (NIMS), which established a single, comprehensive approach to domestic incident management to ensure that all levels of government across the Nation have the capability to work efficiently and effectively together using a national approach to domestic incident management; and

WHEREAS, the NIMS provides a consistent nationwide approach for Federal, State and local governments to work together to prepare for, respond to, and recover from domestic incidents regardless of the cause, size or complexity; and to provide for interoperability and compatibility among Federal, State and local capabilities and includes a core set of concepts, principles, terminology and technologies covering the incident command system, unified command, training, management of resources and reporting; and

WHEREAS, the Woodstock Fire/Rescue District and the City of Woodstock endeavor to strengthen their partnership and to aid each other in meeting goals of NIMS so that both entities and their respective citizens will be best served when disaster occurs.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE WOODSTOCK FIRE/RESCUE DISTRICT, McHENRY COUNTY, ILLINOIS:

Section One: The Woodstock Fire/Rescue District hereby adopts the concept of developing a Local Incident Management Team and utilizing unified command for planned and unplanned events. It shall further be the policy of the Woodstock Fire/Rescue District to train those public employees responsible for emergency response in the practices of an LIMT.

Section Two: District Administration is directed and authorized to monitor and implement the standards, guidelines, and compliance protocols recommended by the LIMT Steering Committee.

Section Three: This Resolution shall be in full force upon its passage and approval as provided by law.
