435 E. Judd St., Woodstock, Illinois (815) 338-2621

---

**Press Release:** Route 47 Vehicle Rollover w/Medivac – 02/25/24

## For Immediate Release

On Sunday, February 25, at 8:01PM, the Woodstock Fire/Rescue District responded to the area of Route 47 and Lucas Road for the reported rollover crash with entrapment.

Firefighters arrived on scene within 6 minutes and observed a heavily damaged overturned vehicle off the roadway. Crews quickly stabilized the vehicle and paramedics began treatment for an unconscious adult female inside. Crews were able to access and remove the patient without means of extrication. Crews canvassed the immediate area and confirmed no additional patients were involved in the crash.

Due to the extent of injuries, a medical helicopter was requested and landed at the Northwestern Medicine Woodstock Hospital helipad. The female patient was subsequently airlifted by REACT to Javon Bea Hospital—Riverside in Rockford with serious injuries.

No other injuries were reported in the incident.

The Woodstock Police Department is investigating the crash and any additional questions pertaining to the investigation (cause, fault, seat-belt use, speeds, etc.) should be referred to them.
