435 E. Judd St., Woodstock, Illinois (815) 338-2621

Press Release: Pedestrian Airlifted After Vehicle Collision – 02/14/24

For Immediate Release

On February 14, 2024, at 5:48PM, the Woodstock Fire/Rescue District responded to the area of N. Eastwood Drive (Route 47) and Irving Avenue for the report of a pedestrian struck by a vehicle.

Paramedics arrived on scene within two minutes and located an adult female laying on the ground suffering from various traumatic injuries. A medical helicopter was immediately requested and landed at the Northwestern Medicine Woodstock Hospital helipad. The female patient was transferred to LifeStar and was subsequently airlifted in critical condition to Advocate Condell Medical Center in Libertyville.

No other injuries were reported in the incident.

The Woodstock Police Department is investigating the crash and any additional questions pertaining to the investigation (cause, fault, seat-belt use, speeds, etc.) should be referred to them.
