Training

EMERGENCY MEDICAL SERVICES 3 HOURS

EMS System training was on psychiatric emergencies.

Lifenet provided landing zone training to all three shifts, the helicopter was also able to come out for one shift.

Most of our paramedics are also in process of completing their paramedic preceptor renewal, so that they can precept our paramedic students.

FIRE 11 HOURS

- Week 1 Training: Flow and Move/Hit and Move
- Week 2 Training: Engineer Training
- Week 3 Training: Flow and Move upstairs
- Other: State of the District from the Chief
- Gearing up for Opeprator Class in August

OFFICER 2 HOURS

Blue Shirt Leadership-
LT Biederer and FF/PM Teresi gave a presentation on some of the unique challenges and opportunities that acting officers and senior firefighters have and how that can create impact on the District.

Community Risk Reduction

PUBLIC EDUCATION

- May 1st: SOAR @ Dorr Exercise Class Talk - Presented to two dozen seniors about the importance of housekeeping/hoarding conditions in response to a recent structure fire that had those conditions present.
- May 7th: Sheltered Village Tour of Station 2
- May 17th: MCDOT Touch-A-Truck @ Farm & Fleet - Met with hundreds of citizens, gave them a chance to tour our equipment, answer questions, and gave out information regarding the Close Before You Doze initiative.
- May 28th: SOAR @ Dorr BBQ & Bingo - Had a chance to meet with over two dozen seniors to discuss the importance of preventing falls in the home, as well as grilling up hot dogs and hamburgers for them as well.
